Iron ore mines Orissa

2948. SHRI JAGADISH JANI: Will the Minister of STEEL AND MINES be pleased to state:

(a) what is the number of iron ore mines in Orissa which have fallen sick during the last three years;

(b) what are the reasons for the sickness of these mines:

(c) what are the locations of these iron ore mines; and

(d) what steps are being taken to revive these mines?

THE MINISTER OF STEEL AND MINES (SHRI K.C. PANT): (a) to (c) Information relating to the exact number of private iron ore mines and their falling sick in Orissa is not readily available. Iron Ore Mines are located in Gumi-Badampahar. Gandhamardan-Daitari-Tomka and Barajamda Sectors. According to the available information nine iron ore mines stopped production since 1-1-1983 till date. Seven of these were subsequently reopened during this period. The reasons for discontinuance of mining operations have been attributed to accumulation of stock due to sluggish demand.

(d) Efforts have been made by the MMTC to increase the export of iron ore from the region. After taking into account the availability of iron ore from its captive mines, SAIL meets its requirements by purchases from private mines through the MMTC.
